TOO BROKE FOR STURGIS:

Everyone who came to the Too Broke work day will receive free admission to the event. The Mini chopper has been moved from Baileys bar in Bovill to the store in Elk River, Larry is in charge of the money and tickets and moving it to the rally sight. Members need to get more involved with the planning and putting together of this rally to make it a success Discussion was open to the members present about planning and implementing this activity, we also discussed the lack of sponsors this year, Bev should have a list of donors and sponsors from 2008. Moose brought that the rally posters lacked the AMA sanctioned event. Bill will be informed about this as he was not aware that needed to be on the posters. Vendors parking will depend on if they need electric or not. Cudos to the members who stepped up and helped get the grounds ready and all other support on making this event a success. Vendors included Sassy's Cafe, the Leather guy, Cottonwood T-Shirts, Tattoo vendor. And Scotts custom bags. Was discussed to have a group ride from St. Maries. Greg made a motion to give life time membership to Bob and Norma Pfiester.

It was suggested the chapter purchase a laptop for minutes and chapter business; we are still having problems getting our minutes posted on the state web site. Bill has tried several times with no luck and no feedback from on what the problem is. Cindy will use her lap top for now to keep track of St. Joe chapter business; Bill will assist as web person.

END OF THE SUN RUN

We need some people to volunteer to sell poker hands at the corner club. We will look into having first hand at Cabin City for next year. We need to make sure a chase vehicle is on board and that they keep receipts of their expenses. Last year the people did not get reimbursed , we will reimburse for any receipts that are presented. Bill has contacted the Super 8 motel in St Regis and they will give a discount for reservations made under the name of End of the Sun Run.

Meeting adjourned at 2:27 pm.
